## EXPERIENCE

---

**Brillio Technologies** July 2021 - Present  
**Full stack Developer** *Bangalore, IN*  
Health Care Project

- Worked for a Health Care Insurance client which gained me a lot of expertise in USA's Health Structure and their requirements. Used understanding of React fundamentals to promote better component life-cycle practices, with 100% deadline adherence.
- Dedicated and efficient full stack developer with 1+ years experience in application layers, presentation layers, and databases. Certified in both F/E and B/E technologies. Seeking to further improve HTML5 and CSS3 skills as the future full stack developer at Atmospheric Solutions.
- Working as a Sergeant-at-Arms for the Brillio Toastmaster's Club. This helped me develop skills like Planning, Strong Interpersonal, Verbal and written skills.

**Campus Ambassador** March 2020 - April 2020  
**National Engineering Olympiad 3.0** *Belgavi, IN*
